PRINTER CASES

There's no need to take the printers out with our front loaded **FL** style designed cases. The high density corner foam-lined interiors not only protect, they allow air flow to keep the printers well ventilated while in use, and the front and rear removable covers allow easy access to the printer trays and rear cable connections.

CHAIR

PORTABLE BENCHES & CHAIRS

BENCH

DIMS: 41"W x 21.5"H x 13.5"D
WEIGHT: 26 LBS

The unique BENCH portable large bench is a convenient and comfortable accessory for photo booth setups as well as other applicable special events. The legs are completely removable for compact transport and storage. When assembled it's as sturdy with its light weight steel frame. Available in two colors, black or white.

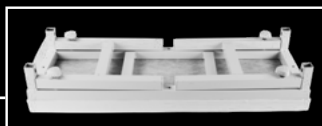

LUXE[™]
ELEGANT SERIES

Bench can be folded (as shown in example) to provide easier storage when transporting gear to your next gig.

BENCHWHT

DIMS: 41"W x 21.5"H x 13.5"D
WEIGHT: 26 LBS

CHAIRWHT

Odyssey chair you can use at every gig. The adjustable Chair allows you to sit back at a comfortable height while reducing fatigue and stress on your back and legs during those long gigs. The 5 adjustment levels, from 19" to 33", make you look cool without the appearance of sitting back on the job. Keep the seat up high so you can lean on it in comfort. Holds up to 300 lbs. on its 12" circular thick & comfort foam padded seat. Features a removable foam padded back rest.
